

Artwork Guidelines

Attention:

For best quality reproduction, keep in mind the following tips.

Cropping does occur - keep important items 2cm/1" away from edges.

Medium

Ensure that each art piece is well concentrated in colour and the main subject is centred on the paper. Use the entire area.

Artwork created with the following work best: crayons, watercolours, tempera paints, markers, paper collage and/or pastels.

Budding Artists prefers borders not be included within the art piece. However, if you are adding a border, please ensure that the border is at least 1" thick on all sides.

Signatures are Optional

If signed, it must be located at least 1" from the edges.

Finishing Touches

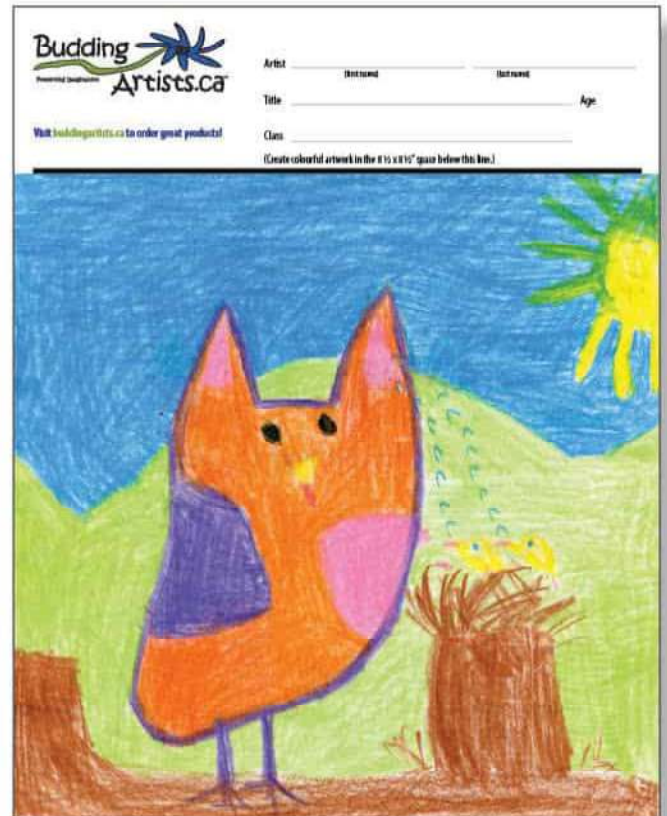

Erase all unwanted marks, lines and smudges.

Using Your Own Paper

Budding Artists cannot accept artwork larger than 8 ½" x 8 ½". It is not necessary to paste artwork onto canvas provided.

Make sure the artwork is correctly labelled. Use only a No. 2 pencil to clearly label artwork on the back with:

- artist's name
- the word "TOP" to indicate the direction

Digital Art File

Image must be scanned as a 300 dpi jpeg and sent electronically to: fundraiser@buddingartists.ca.

*** File name must include artist first name.**

Email details must include name of artist, teacher and school. Each piece must be ready for print; some cropping may result.
